SUBJECT: GENERAL INFORMATION

SUBRULE 1:

DEFINITIONS:

100

The following definitions will apply to this tariff and will supersede all the others that may be in conflict:

(1) PORT AUTHORITY: This shall mean the Port of Port Lavaca/ Point Comfort.

(2) DOCKAGE: The charge assessed against a vessel for berthing at a wharf, pier, or bulkhead structure, or bank or for mooring to a vessel so berthed.

(3) WHARFAGE: A Charge assessed against the cargo or cargo owner on all cargo passing or conveyed over, onto, or under wharves or between vessels (to or from barge, lighter, or water) when berthed at wharf or when moored in slip adjacent to wharf. Wharfage is solely the charge for use of wharf and does not include charges for any other service.

(4) FREE TIME: The specified period during which cargo may occupy space assigned to it on terminal property free of wharf demurrage or terminal storage immediately prior to it loading or subsequent to the discharge of such cargo on or off the vessel

(5) WHARF: Any wharf, either open or shedded, belonging to or operated by the Port of Port Lavaca/ Point Comfort.

(6) WHARF DEMURRAGE: A charge assessed against cargo remaining in or on terminal facilities after the expiration of free time, unless previous arrangements have been made for storage.

(7) TERMINAL STORAGE: The service of providing warehouse or other terminal facilities for the storing of inbound or outbound cargo after the expiration of free time, including wharf storage, shipside storage, closed or covered storage, open or ground storage, bonded storage, and refrigerated storage, after storage arrangements have been made.

(8) HANDLING: The service of physically moving cargo between points of rest and any place on the terminal facility, other than the end of ship's tackle.

SUBRULE 5:	CONSENT TO TERMS OF TARIFF: The use of the waterways and facilities under the jurisdiction of the Port of Port Lavaca/ Point Comfort shall constitute a consent to the terms and conditions of this tariff, and all evidence and agreement on the part of all vessels, owners and/ or agents, and other users of the facilities, to abide by the rules, regulations and charges specified in this tariff and all amendments and reissued tariffs and to be governed by all rules and regulations contained herein and in all amendments and/or reissues thereof. The Navigation District shall be sole judge as to interpretation of this tariff.	120
SUBRULE 6:	SPEED LIMIT: This tariff adopts the rules and regulations of the Secretary of the Army as they apply to the waterways of this District. A portion of which is quoted as follows: (A)"A vessel shall reduce its speed sufficiently to prevent any damage when approaching another vessel in motion, or tied up, a wharf or other structure, works under construction, plant engaged in river and harbor improvement, levees withstanding flood waters, or any other manner of structures or improvements likely to be damaged by collision, suction, or wave action." (33 CFR 207.180 (E) (4, Navigation Regulations).	125
SUBRULE 7:	DISCHARGING OF OILS, WASTER, BALLAST, RUBBISH INTO TURNING BASIN OR CHANNEL: No vessel within the limits of the port shall throw, or allow to be thrown any scraps, refuse or debris of any sort which might pollute, defile, or clog the waters of the turning basin or ship channel. This especially applies to oil, and the Masters Federal Laws in such cases, and to this end, it is recommended that all vessels when pumping fuel from one tank to another have all scuppers securely stopped so that overflow will not find its way into the harbor or ship channel.	130
SUBRULE 8:	LIGHTS: All vessels or barges shall display lights from sunset to sunrise while laying at any wharf or dock, or lying at anchor within the turning basin; vessels to conform to navigation rules, when anchored in the channel, and barges to display white lights visible all around the horizon at least eight feet above the water line on their outside or channel corners.	135

Definition:

"APHIS Waste" means garbage which is on or unloaded from any means of conveyance at a place which is subject to general surveillance for compliance by the Animal and Plant Health Inspection Service ("APHIS") of the United States Department of Agriculture. "APHIS Waste Garbage" means all waste material derived in whole or in part from fruits, vegetables, meats or other plant or animal (including poultry) material, and other refuse of any character whatsoever that has been associated with any such material on board any means of conveyance, and including food scraps, table refuse, galley refuse, food wrappers or packaging materials, and other waste material from stores, food preparation areas, passenger or crew's quarters, dining rooms, or any other areas on vessels, aircraft, or other means of conveyance.

Non-APHIS Waste and Non-APHIS Waste Garbage:

Non-APHIS Waste and Non-APHIS Waste Garbage in small quantities may be removed from all vessels and placed in a designated is not greater than one-half of the capacity of the shoreside refuse container provided by the Navigation District. Quantities greater than this amount must be placed in a container (or containers) which will be contracted for by the Navigation District. Such special refuse removal will be charged to the vessel by the Port of Port Lavaca/ Point Comfort at actual cost of the services plus 20%. The Port of Port Lavaca/ Point Comfort requires a minimum of 24 hours prior notification in order to arrange special refuse removal services.

APHIS Waste and APHIS Waste Garbage: APHIS Waste and APHIS Waste garbage may be removed from vessels only in 3.3 cubic foot cardboard containers which are lined with 4 mil plastic liners (cardboard containers with liner will be furnished by the Port of Port Lavaca/ Point Comfort at no cost). The containers may be removed from the vessel only under the authorized supervision of a Port of Port Lavaca/ Point Comfort employee and will be clearly marked as follows:
